Support Your Local Animal Shelter!

Non-Profit & No-Kill Animal Shelter:

The Town and Country Humane Society is a non-profit [501(c)(3)] animal shelter serving eastern Nebraska and beyond. Unlike many animal shelters and humane societies, this organization does not put any animals to sleep (i.e., it is a no-kill animal shelter).

Pictures of Animals Available for Adoption on Website:

If you are an animal-lover and desire to adopt a pet and provide it with love and attention for its life, please visit the address referenced above. Pictures of the animals available for adoption are located on the organization's website.

Volunteer:

The volunteers at this organization continually work hard to improve this animal shelter. We are in the process of raising money to build an outdoor sun patio for the cats. If you are an animal lover and desire to make a commitment to volunteer at this organization, please visit the address referenced above and fill out a volunteer application. This organization is run entirely by non-paid volunteers.

Charitable Contributions or Direct Donations to Local Animal Hospital:

If you would like to make a charitable contribution to this organization, please make your check payable to the "Town and Country Humane Society" and send it to the address referenced above. Charitable contributions to this organization are deductible on your tax return. One hundred percent (100%) of your donation is used for the care and benefit of the animals. If you desire to donate items other than cash for the animals, such as blankets or towels, please visit the organization's website for its "Wish List", or please consider making a direct donation to Heartland Animal Hospital, 707 Tara Plaza, Papillion, NE 68046 (and indicate that your donation should be applied towards the account balance of Town and Country Humane Society with such Hospital for veterinarian services to our animals).
